*Summary*

*Questions for Reflection and Discussion*

*Suggested Readings*

*Notes*

**Chapter 5: Educating for Justice . . . . .190**

*Educating for Justice from a Christian Perspective in the United States Today*

*Fundamental Principles*

Appreciating the Goodness of Creation and the Dignity of Each Person • Recognizing that We Are Partners with God and with One Another • Encouraging Contemplation • Acknowledging the Realism of Sin • Knowing Our Rights as Citizens and as Members of a Faith Community • Educating All People to See Poverty as a Threat to the Common Good • Remembering Our Christian Past—Scripture, History, Traditions—as a Resource to Seek Justice for the Poor

*Specific Approaches for Educating for Justice*

Letty M. Russell • Thomas H. Groome • Gabriel Moran

*Methods for Transforming an Unjust Society into a Reign of Justice*

Promoting Inclusive Education for Justice • Exploring Justice Issues • Educating for Involvement • Viewing Social Justice as a Continuum • Fostering Justice as a Habit of Heart and Mind

*A Place at the Table*

Keith Wasserman: Good Works, Inc. • Friday Night Community Suppers • The Catholic Campaign for Human Development • Camden, New Jersey • Camden Churches Organized for People • A Vision for Camden’s Recovery • The Camden Recovery Bill • The Voice of the People

*Conclusion*

*Questions for Reflection and Discussion*

*Suggested Readings*

*Notes*
