

## Let Us Pray

In the name of the Creator God,  
and of Jesus Christ,  
and of the Holy Spirit. Amen.

### THE FOURTH STEP

Turn your heart toward God.

O God, you have filled my life  
with the joy of knowing others  
and sharing life, work, and play with them.  
Now as I begin this fourth step on my journey,  
help me examine my personal commitments  
my business commitments,  
and all those ways in which my time is used.

Pause to consider quietly all the many commitments you have made.

I pray now for the grace to see  
the wonderful gifts that come with my engagement  
with my culture and society.

Help me to see these as extensions of your grace  
and to allow them to be a joy  
and not a burden.

Give me the honesty I now need  
to examine my commitments in earnest  
and to match them faithfully to my Core Priorities.

I pray with a grateful heart  
and a willing spirit.

Amen.

Now turn to the fourth step and continue your journey.
