

## Let Us Pray

In the name of the Creator God,  
and of Jesus Christ,  
and of the Holy Spirit. Amen.

### THE SIXTH STEP

Turn your heart toward God.

O God of Creation,

God of all Peoples everywhere,  
you gather us as your own family  
and invite us to share the resources of this earth  
in harmony and generosity.

Help me, therefore, to see those around me  
who do not have enough on which to live,  
those who are hungry, thirsty, or alone,  
those who seek medical care or are imprisoned.

Turn my blind eye to a seeing eye  
and open my heart.

Pause to consider who on this earth suffers most.

Now that I can see them all more clearly,  
turn my heart toward them  
and help me live in solidarity with the poor.

As you have united yourself to us, O Christ,  
now turn loose your energy  
to unite me to the ones who suffer most.

Amen.

Now turn to the sixth step and continue your journey.
