by Charles Fensham

6 X 9" -- 226 pages

In this fascinating presentation of faith, Charles Fensham argues cogently and passionately for a church that embraces hope. Although a metaphoric dark time awaits Christianity, Fensham assures his readers that this darkness merely conceals the light for the future. This book offers a prophetic and challenging call for contemporary Christians to ask where we have come from, where we are, and where we are going.

For students at every level of study in college and university, this text provides a context for examining key questions in today's church.
