5.5 X 8.5" -- 120 pages

The General Directory for Catechesis is the key document providing the road map for all we do in religious education and catechesis today! It is the result of what was arguably the widest consultation with the faithful ever carried by the Church's leaders. And it now serves as the normative guide for the entire world.

This version of the document is in plain English, using lovely sense lines and creating a prayer-like presentation. This is the ideal companion text for all students in catechesis, religious education, and pastoral theology.
