Description

by Stephen Honeygosky OSB,
editor

6 X 9" -- 160 pages

This is an interesting examination of the relationship between religion and spirituality that seeks to enhance the definition of each. Religion, the authors argue, is more than a hierarchical structure and spirituality is more than a superficial belief in "something somewhere." A great discussion starter for students in introductory religion courses and for all who are interested in a balanced view of how religion and spirituality interact.

The book explores how the split between religion and spirituality occurred over the past few centuries, and verifies how the situation is clearly evident today, especially with young adults. Contributors include Richard Rohr OFM, Demetrius Dumm OSB, Camille DeBlasi MA, Barbara Fiand SNDdeN, Carl Arico, Anthony Bosco, Roberta Campbell OSB, Vernon Holtz OSB, Authur Schwartz, and Stephen Honeygosky OSB.
