Description

by Fr Bill Bausch

6 X 9" -- 240 pages

As always, Father Bausch weaves social commentary and engaging stories to demonstrate the challenging truths that shed light on the human journey. Highly enjoyable, highly engaging, written as only Bill Bausch can write!

No one can write about storytelling like Father Bill Bausch. Both his words and his stories are compelling, convincing, and completely absorbing. Here in this landmark work, which he insists is his last, his goal is to help readers see the centrality of stories, to read and hear Scripture as story and not as history, and to learn to enrich and expand their lives by looking at the "story behind the story." He wants to break readers out of the literalism that constricts their spiritual and social lives, so they might gain an appreciation of metaphor and symbol and the "sacramentality" of the world.
