Students of pastoral theology build on the insights of the restored Catechumenate. Understanding the history and elements of this restoration are essential for every well trained pastoral minister.

This field guide gives you that and more. Nick Wagner provides a step-by-step tour through each of the stages of the catechumenate, giving you the knowledge and confidence you need to lead your parish process. This lively, "plain-English" guide is cram-packed with tips, solutions, best-practices, and no-nonsense guidance. Students will understand how to form a team, how to find sponsors, how to know when catechumens and candidates are ready to move from one stage to the next, and how to plan and choreograph the rites of the RCIA.
